

April C.V. Gunn is currently the director of the data analysis specialty team at the Virginia Auditor of Public Accounts Office, and has been in this position for over two years. She is responsible for overseeing a team of 10 members who perform data retrievals, verification, and analysis for agency audits. She is also responsible for the maintenance and improvement of the agency's public database of statewide data. This database includes expenditures, revenues, budget, demographic, and other information.

She graduated from James Madison University and is a certified public accountant and a certified information systems auditor. She is a wife and a mother of two boys. She is actively involved in her local church, and is an avid reader.
